**High Security Locks of Class B according to ENV 1300 –
Series CENCON (Electronical Code Lock)**

Dear Madam or Sir,

On the basis of the approved technical documentation (see annex to the certificate), the European Certification Board·Security Systems (ECB·S) in its capacity as certification body of Forschungs- und Prüfungsgemeinschaft Geldschränke und Tresoranlagen e.V. (Research and Testing Association for Safes and Strongrooms) according to EN 45 011 herewith grants Messrs. **Kaba Mas Corporation** with the enclosed certificate the right to carry the certification mark with respect to the **series CENCON** in recognition of compliance with class B of the European Pre-Standard ENV 1300 (February 1999 edition) and under the condition that its adherence will be ensured by you and verified by product surveillances according to section 3.3 of the *Certification Guideline (ECB·S C03)* in its latest edition.

Lock types:

- CENCON D55S
- CENCON 2000V
- CENCON S2000

The right to carry the certification mark for the certified series *CENCON* shall expire on **25 March 2008**. It may be renewed upon request of the applicant by the European Certification Board·Security Systems (ECB·S) if the products are in conformity with the then applicable edition of ENV 1300 (EN 1300).

Please find attached to this letter:

- The *Certification Guideline for High Security Locks (ECB•S C03)*, June 2003;
- the *Certificate of Obligation* to ECB•S C03 which you are kindly requested to sign and return to us by

Friday, 30 April 2004.

We draw your kind attention to para 3.3.5 of the *Certification Guideline (ECB•S C03)* and kindly request you to inform the ECB•S of the manufacturing dates of high security locks of class B according to ENV 1300 well in advance.

Certification marks are consecutively numbered and supplied by the headquarters of the certification body against payment. Please let us know how many you need.

Pursuant to section 5.1 of the *Certification Guideline (ECB•S C03)* certification marks may only be affixed to high security locks that comply with the design specified in the approved technical documentation and for which you have been granted the right to carry the certification mark.

Yours sincerely,

Dr.-Ing. Wilfried Schäfer

Josef Reingen

Encl.
